2	For capital construction grants under the com-

9	if those amounts were apportioned under chap-

11	that those amounts shall remain available unti
12	expended.
13	(5) Open challenge and research initia-
14	TIVE PILOT PROGRAM.—

24	(e) DISADVANTAGED BUSINESS ENTERPRISES.—
25	(1) FINDINGS.—Congress finds that—

1 (A) while significant progress has occurred 2 due to the establishment of the disadvantaged 3 business enterprise program, discrimination and related barriers continue to pose significant ob-4 5 stacles for minority- and women-owned busi-6 nesses seeking to do business in Federally as-7 sisted surface transportation markets across the United States; 8 9 (B) the continuing barriers described in 10 subparagraph (A) merit the continuation of the 11 disadvantaged business enterprise program; 12 (C) Congress has received and reviewed 13 testimony and documentation of race and gen-14 der discrimination from numerous sources, in-15 cluding congressional hearings and roundtables, 16 scientific reports, reports issued by public and 17 private agencies, news stories, reports of dis-18 crimination by organizations and individuals, 19 and discrimination lawsuits, which show that 20 race- and gender-neutral efforts alone are insuf-21 ficient to address the problem; 22 (D) the testimony and documentation de-23 scribed in subparagraph (C) demonstrate that 24 discrimination across the United States poses a 25 barrier to full and fair participation in surface

1	transportation-related businesses of women
2	business owners and minority business owners
3	and has impacted firm development and many
4	aspects of surface transportation-related busi-
5	ness in the public and private markets; and
6	(E) the testimony and documentation de-
7	scribed in subparagraph (C) provide a strong
8	basis that there is a compelling need for the
9	continuation of the disadvantaged business en-
10	terprise program to address race and gender
11	discrimination in surface transportation-related
12	business.
13	(2) Definitions.—In this subsection:

3	Secretary for inflation.
4	(B) SOCIALLY AND ECONOMICALLY DIS-
5	ADVANTAGED INDIVIDUALS.—The term "so-
6	cially and economically disadvantaged individ-
7	uals" has the meaning given the term in section
8	8(d) of the Small Business Act (15 U.S.C.
9	637(d)) and relevant subcontracting regulations
10	issued pursuant to that Act, except that women
11	shall be presumed to be socially and economi-
12	cally disadvantaged individuals for purposes of
13	this subsection.
14	(3) Amounts for small business con-
15	CERNS.—Except to the extent that the Secretary de-
16	termines otherwise, not less than 10 percent of the
17	amounts made available for any program under this
18	Act and section 403 of title 23, United States Code,
19	shall be expended through small business concerns
20	owned and controlled by socially and economically
21	disadvantaged individuals.
22	(4) Annual listing of disadvantaged busi-
23	NESS ENTERPRISES.—Each State shall annually—
24	(A) survey and compile a list of the small
25	business concerns referred to in paragraph (3)

I	in the State, including the location of the small
2	business concerns in the State; and
3	(B) notify the Secretary, in writing, of the
4	percentage of the small business concerns that
5	are controlled by—
6	(i) women;
7	(ii) socially and economically dis-
8	advantaged individuals (other than
9	women); and
10	(iii) individuals who are women and
11	are otherwise socially and economically dis-
12	advantaged individuals.
13	(5) Uniform certification.—
14	(A) IN GENERAL.—The Secretary shall es-
15	tablish minimum uniform criteria for use by
16	State governments in certifying whether a con-
17	cern qualifies as a small business concern for
18	the purpose of this subsection.
19	(B) Inclusions.—The minimum uniform
20	criteria established under subparagraph (A)
21	shall include, with respect to a potential small
22	business concern—
23	(i) on-site visits;
24	(ii) personal interviews with personnel;

14	business enterprise awards, commitments, and
15	achievements; and
16	(B) such other information as the Sec-
17	retary determines to be appropriate for the
18	proper monitoring of the disadvantaged busi-
19	ness enterprise program.
20	(7) Compliance with court orders.—Noth-
21	ing in this subsection limits the eligibility of an indi-
22	vidual or entity to receive funds made available
23	under this Act and section 403 of title 23, United
24	States Code, if the entity or person is prevented, in
25	whole or in part, from complying with paragraph (3)

1	because a Federal court issues a final order in which
2	the court finds that a requirement or the implemen-
3	tation of paragraph (3) is unconstitutional.
4	(8) Sense of congress on prompt payment
5	OF DBE SUBCONTRACTORS.—It is the sense of Con-
6	gress that—
7	(A) the Secretary should take additional
8	steps to ensure that recipients comply with sec-
9	tion 26.29 of title 49, Code of Federal Regula-
10	tions (the disadvantaged business enterprises
11	prompt payment rule), or any corresponding
12	regulation, in awarding Federally funded trans-
13	portation contracts under laws and regulations
14	administered by the Secretary; and
15	(B) such additional steps should include
16	increasing the ability of the Department to
17	track and keep records of complaints and to
18	make that information publicly available.
19	SEC. 1102. OBLIGATION CEILING.
20	(a) General Limitation.—Subject to subsection
21	(e), and notwithstanding any other provision of law, the
